

# BELLEVUE

**4 BEDROOMS  
2.5 BATHROOMS  
2 STALL GARAGE**

**MAIN LEVEL**  
980 SQ FT

**UPPER LEVEL**  
1,288 SQ FT

This large 4 bed, 2.5 bath, 2,268 sf home gives many options to make this custom build even more tailored to you. Choose to have your laundry room on the main or 2nd level, a 3rd stall in the garage, and to finish the basement—giving you an additional bedroom, another bathroom and a family room. The choice is yours! The main floor layout includes an office nook, walk-in pantry, and 2 walk-in closets in the master bedroom. The finishing touches include Quartz countertops in the kitchen, stainless steel appliances, Bertch Cabinets, and LP SmartSide siding.
