

# CONCORD

2 BEDROOMS  
2 BATHROOMS  
2 CAR GARAGE

**MAIN LEVEL**  
1,160 SQ FT

The Concord is a sleek custom home design. The 1160sf main level includes 2 beds and 2 baths and a spacious master walk-in closet. The open concept floor plan has a timeless look with the vaulted ceiling in the kitchen, living room, and dining area. Additionally, there is the option to finish the basement, adding 2 additional bedrooms, a den, a bathroom, a family room, and a laundry room.
